Risk Disclosures:
Investing involves risk, including the possible loss of principal. Investments in smaller and mid-sized companies typically exhibit higher volatility. The Fund is non-diversified. Investing in India may involve the risk of capital loss from unfavorable fluctuations in currency values, from differences in generally accepted accounting principles, or from economic or political instability in India as well as increased volatility and lower trading volume. Certain restrictions on foreign investment may decrease the liquidity of the Fund’s portfolio, subject the Fund to higher transaction costs, or inhibit the Fund’s ability to track the Index. The Fund’s investments in securities of issuers located or operating in India may be limited or prevented, at times, due to the limits on foreign ownership imposed by the Reserve Bank of India (“RBI”).

The Fund is registered as a foreign portfolio investor (“FPI”) with the Securities and Exchange Board of India (“SEBI”) in order to have the ability to make and dispose of investments in Indian securities. There can be no assurance that the Fund will qualify or continue to qualify as an FPI, or that the Indian regulatory authorities will continue to grant such qualifications, and the loss of such qualifications could adversely impact the ability of the Fund to make and dispose of investments in India.

The Fund invests in the securities of Internet Companies, including internet services companies and internet retailers, and is subject to the risk that market or economic factors impacting technology companies and companies that rely heavily on technology advances could have a major effect on the value of the Fund’s investments.

The Funds are distributed by SEI Investments Distribution Co. (SIDCO) (1 Freedom Valley Drive, Oaks, PA, 19456), which is not affiliated with Exchange Traded Concepts, LLC or any of its affiliates or Brown Brothers Harriman & Co.

The INQQ, the India Internet & Ecommerce Index, is designed to measure the performance of an investable universe of publicly traded India internet and ecommerce companies. The Index covers over 20 companies operating in India.
